### Heartfelt Thanks from Catholic Children's Society, Plymouth

So many parish groups have rallied round to support the Catholic Children's Society (Plymouth) and have knitted and crocheted the most wonderful baby items including cardigans, blankets, jumpers, hats, mittens, booties and even teddies! Thank you to those parishioners from Our Lady and St Patrick's in Teignmouth who saw our plea at the start of the year for home made baby items, and worked so hard to produce the most beautiful pieces. A number of the parcels we have received were donated anonymously but a special thank you to Wendy Carey who generously donated some beautiful items which we are looking forward to passing on to families with young babies who are really struggling to provide even the basic essentials for their children. We receive the most lovely feedback

from these families and the referees who support them with their application to our Essential Grants programme.

We could not continue to do what we do to support vulnerable children and their families living in our Diocese, without the support of our parishes, parishioners, Catholic schools,

annual grant funders and other loyal supporters. So many parishes and individual parishioners really are rallying round to support our small charity whether that be the Crib collection, our Annual Appeal, our Orange Box scheme, our ink cartridge recycling scheme, joining in with the Great Big Diocesan quiz or organising their own events to help with our fundraising.

With grateful thanks from the trustees & staff at CCSP **Catholic Children's Society (Plymouth)**

## Saint of the Week

**St Clement I (1st Century-c.100 A.D.)**

Little is known of Clement's early life. He was one of the earliest Bishops of Rome, with St Irenaeus counting him as the fourth bishop after Peter, Linus, and Cletus. Some traditions identify him with the Clement in St Paul's letter to the Philippians, but others as an early Christian of the Church in Rome. In any case, he is the most famous of the early Popes after Peter, mainly due to a letter he wrote to the Church in Corinth. This letter is the earliest, non-biblical text we have and it was written around the year 96 A.D, only thirty years after the martyrdoms of St Peter & St Paul. Clement wrote it in response to a split in the Church of Corinth and encouraged reconciliation among the different factions. Tradition states that he was banished from Rome by the Emperor Trajan to Chersonesus in the Crimean peninsula. He was enslaved in a stone quarry and tradition states that Clement was martyred by being tied to an anchor and drowned around the year 100 A.D.
